JURY OF APPEALS

Will be chosen based on teams entered.

INITIAL ENTRY PROCEDURE

There is no initial entry procedure. See below for all entry information.

QUALIFYING CRITERIA

Qualifying standards and Field Size Chart

You may declare any athlete you wish to compete in the IC4A/ECAC Championships. Athletes who meet the standard in Appendix A will be accepted into the meet. Those entered before the deadline who do not meet the standards will also be accepted up until that event is full. We will be using the standards and field size chart listed in Appendix' A & B.

Appendix A – Meet Acceptances

Automatic Acceptance:

Athlete has met the IC4A/ECAC Standard as listed below in Appendix B.

Performance is ranked within the “We will take #s” as listed below in Appendix B.

Conference Champions (Does not include combined events champions; see below).

Waiver of Standard entries (see below).

Alternates:

We will notify the following who do not meet the above Automatic Acceptances criteria.

Alternates who from the meet entries are ranked within the “We will take #s”.

On Monday, February 27, 2023, by 8:00 pm.

Alternates who move up the rankings list due to “early week” scratches and are now within the “We will take #s”:

We will send emails as these are known. We will not add anyone after Tuesday, February 28, 2023, at 6:00 pm.

Awards

The top 8 finishers in each event score for their team (10-8-6-5-4-3-2-1) and earn All-East honors. Certificates will be provided to all All-East finishers and relays. The top 3 teams will be recognized and awarded with team trophies at the conclusion of the Championship. We will also recognize the top individual performer of the meet for both men and women.

Appendix B - Indoor IC4A/ECAC Qualifying Standards

Conference Champions will not replace any athlete that qualifies from the standards below. They will be added to the field.

You may enter and declare any athlete you wish to compete in the IC4A/ECAC Championships. Athletes who meet the standard below will be accepted into the meet. Those entered who do not meet the standards will also be accepted up until that event is full (see the "We will take #s" below). We will be using the standards and field size chart listed in Appendix A.

An athlete is considered declared if they are entered on Direct Athletics after the meet entry deadline passes.

CONFERENCE CHAMPIONS & WAIVER OF STANDARD PROCEDURE

CONFERENCE CHAMPIONS

The IC4A/ECAC will continue the practice of allowing athletes that are "Conference Champions" to compete in the IC4A/ECAC Championships, even if they have not made the Qualifying

Standard. In such case you may designate only **one** conference to select your athletes from for the waiver. This is “NOT” an addition to the “Waiver of Standard” rule. **There is no Conference Champion waiver for the combined events.**

WAIVER OF STANDARD PROCEDURE

The IC4A/ECAC will also continue the practice of allowing athletes from schools that do not have any qualifiers in either a running event, relay or field event to compete. They may enter one (1) athlete/relay and (1) field event athlete. If you have qualifiers in the track events and not the field events, you may enter (1) field event qualifier and vice versa. This is a continuation of the practice established several years ago.

Conference Champions and Waiver of Standard Entries must be submitted directly no later than Monday, February 27, 2023, at 5:00 pm to.

Tom Stewart: tstewart@hcc.edu

Dylan Clark: dclark@ecac.org

Thom Jacobs: coachjake@hotmail.com

An alternate list will be used to fill the field due to any “early in the week” scratches. Please send scratches ASAP so we can add the next eligible athlete. Coaches will be notified of their athletes’ addition to the field. This will be based from the descending order list of meet entries. **An email with any updated accepted alternates will be sent by Tues., February 28, 2023, 6:00 pm.**

Additional information regarding qualifying

This document outlines the criteria that all track and field competitions must follow in order for marks to count towards qualifying for the IC4A/ECAC Championships. Information in this document is relevant for all indoor and outdoor track and field meets and events unless otherwise noted. If a meet/event does not follow the criteria, the joint IC4A/ECAC Men’s and Women’s Track and Committee has the authority to remove results from the performance lists. Coaches can report any meets or events that do not follow the criteria outlined below by following the Guidelines for Reporting Qualifying Criteria Violations, which are available on the NCAA.org divisional sport landing pages for indoor and outdoor track and field.

1. Qualifying Period. A qualifying mark for entry into both the indoor championships, must be made between the following dates:

December 1 or the preceding Friday if December 1 falls on a Saturday, Sunday, or Monday, through the Sunday prior to the Championships. Entries are through DirectAthletics, with the exception of the Combined Events (Pentathlon/Heptathlon).

Exception: Combined events (Pentathlon/Heptathlon) - the top 16 entries will be accepted. See below for Combined Events information.

2. Rules. Qualifying marks must be made in a scheduled collegiate or open track and field meet conducted under the NCAA Rules of Competition or an open track and field competition conducted under the competition rules of the NCAA, USATF or IAAF.

3. Manual Timing. Marks will not be accepted in any events where manual timing (MT) is used.

4. Meet Management. Marks will not be acceptable if not posted on TFRRS.

5. Indoor Meet Procedures:

a. Qualifying marks must be made using an indoor facility except for the weight throw, which may be conducted outdoors.

b. Qualifying marks at 55 Meters will only be accepted from facilities unable to be configured for the 60 Meters or originally configured for the 55 Meters only.

6. Marks achieved by student-athletes in a combined event competition will be allowed to count toward open event qualification, even if the student-athlete does not finish the entire combined event competition.

7. Below are the permissible event conversions for NCAA indoor track and field. The Standardized Track Event Conversion Factors will be used to convert times for the non-championship events listed below to determine what the corresponding times would be for the respective championship events. The Standardized Track Event Conversion Factors can be found online at www.NCAA.org (NCAA.org, Division I/II/III, Championships, Indoor Track and Field, Links/Resources).

-55 Meters to 60 Meters

-55 Meter Hurdles to 60 Meter Hurdles

-1500 to Mile

-Mile Relay to 4x400 Meter Relay

-Distance Medley Relay (yards) to Distance Medley Relay (metric)

Combined Events:

To enter the Combined Events, please follow the procedure below.

E-mail: "Intent to Compete" to the following:

Tom Stewart: tstewart@hcc.edu

Todd Wolin: wolintodd@gmail.com

Thom Jacobs: coachjake@hotmail.com

If you do not submit this e-mail, we consider that you do not have any intent to compete in the Combined Events.

The **Combined Events Deadline** is no later than one week prior to competition, **Friday, February 24, 2023, by 5:00 pm.**

The e-mail must include the following:

Subject line: Intent to compete in Combined Events (Pentathlon/Heptathlon):

-Student-Athlete's Name

-School

-Current season's best score or write "Not contested" (if competition concludes after 5:00pm, Feb 24, 2023 but before March 1, 2023). For those meets on the final qualifying weekend, please follow up by submitting scores by e-mail prior to Monday at 5 pm.

-Site and date(s) of competition and score achieved.

Scores will be updated prior to the accepted entries/alternates list being sent out, including all meets contested after "Intent to Compete" is received. Note, all results for and conference championships or last chance meets concluding on the Sunday prior to the championship and

after the “Intent to Compete” due date must be posted to TFRRS by the 5:00 pm Monday, February 27, 2023 Eastern time deadline.

All accepted entries and alternates for the combined events will be notified by e-mail from Todd Wolin on Monday, February 27, 2023, by 6:00 pm. Alternates will be listed and added as scratches are received. Coaches will be notified if their athlete is added to the accepted entry list.

VERIFICATION OF PERFORMANCES

1. Performances will be verified through Direct Athletics. As noted above, top indoor marks and converted 1500m times (mile divided by 1.08) will be considered for outdoor qualifying. Those marks will be posted on the outdoor performance lists on Direct Athletics.

2. Direct Athletics will use the NCAA rule for performance adjustment according to facility for all NCAA Events. The coaches approved a formula for the non-NCAA events (500, 1000 and 4x800 Relay).

COACHES’ CHALLENGE

There are no coaches’ challenges. If a performance does not appear on Direct Athletics in the entered event or an event used as a conversion (ie: 55m for 60m), your athlete/relay will not be considered for competition in that event.

ENTRIES/DECLARATIONS

You may enter and declare any athlete you wish to compete in the IC4A/ECAC Championships. We will be using the standards and field size chart listed in Appendix’ A & B. The entry deadline is **5:00 pm on Monday, February 27, 2023.**

If any athlete meets the current standard as listed in Appendix A or B, or they are ranked in the **“We will take”** numbers, then they are qualified for the meet. Anyone ranked outside the **“We will take”** numbers will be notified after initial declarations close of their inclusion to the meet as follows:

Monday, February 27th by 8:00 pm.

An athlete is considered declared if they are entered on Direct Athletics after the meet entry deadline passes.

Athletes will only be added at this time to complete the field size. Other than “early week” scratches received by Tuesday at 6 pm, we will not be adding any athletes after the times listed above. There are generally very few scratches that would impact the field sizes after the initial meet entries close. Please be considerate of other schools with your entries and scratches.

ENTRY FEES

1. Each school will be billed a \$95.00 team entry fee.
2. Each school will be billed \$35.00 for each individual declaration and each relay declaration.
3. The maximum entry fee per gender for schools entering a large roster is **\$700.00.**

Upon completion of the Championships, invoices will be sent out to all schools that entered the IC4A/ECAC Championships. Checks should be made payable to the ECAC. Make sure that the institution name and event title/date are listed on the check.

Checks should be mailed to:
Eastern College Athletic Conference
Matrix Corporate Center
39 Old Ridgebury Road, Suite 22
Danbury, CT 06810

REMINDER: Submission of the Final Entries is considered a statement of intent to participate and automatically triggers the team entry fee. Similarly, any declared entry (individual or relay) automatically triggers the appropriate entry fee. An institution that elects not to participate in the championship, after entering, is not excused from paying the entry fee. You will not be billed for any athlete entered that is rejected.

SCRATCHES

After the declaration of entries, scratches without financial penalty will be permitted. This means you may also scratch those that are entered in more than one event without penalty to remaining event(s) intended to compete in.

These scratches are due by Friday, March 3, 2023, by 10:00 am.

Any scratches after this point are “meet scratches” (that athlete will be out of ALL events).

All scratches must be emailed to:

Tom Stewart: tstewart@hcc.edu

Todd Wolin: wolintodd@gmail.com

Dylan Clark: dclark@ecac.org

Thom Jacobs: coachjake@hotmail.com

You will receive confirmation of your scratches by email.

RELAY CARDS

1. Relay cards must be submitted to the clerks' table at least one hour before the scheduled time of the relay event. Cards will be provided in Coaches Packets and at the clerks table.

2. Relay cards must list the names and bib numbers of the athletes on the relay team, in the order that they will run.

3. Please submit a second relay card for the final if you are not running with the same personnel.

4. If you have a relay team entered but need to scratch for any reason, the clerks should be notified as soon as possible, ideally well prior to the formation of heats, so that heats can be finalized fairly for all those entered. Failure to scratch in a timely manner can result in a fine.

5. If the relay team personnel changes prior to the race, a new relay card must be submitted at least 15 minutes prior to the race.

FINAL DECLARATION PROCEDURE

1. All Final Declarations and entries will be done through Direct Athletics (www.directathletics.com). Teams must be current members of the IC4A/ECAC in order to compete.
2. Your FINAL declarations MUST be submitted on Direct Athletics:
Monday, February 27, 2023, by 5:00 pm.
3. Coaches should make every effort to enter all possible relay candidates (up to 8 per relay) when submitting their entries on DirectAthletics. Should an eligible athlete on your team who is not entered become a relay candidate at any point after entries close, please let the IC4A/ECAC meet personnel know as soon as possible so that a competitor number may be assigned to that person.

LATE DECLARATIONS

Teams wishing to declare entries after the entry window closes on Direct Athletics will be considered late, and will only be accepted if the Games Committee determines space is available in that event. A late fee will be charged according to the following schedule.

LATE FEES - \$50.00 per declaration

After Monday, February 27, 2023, at 5:00 pm, but before Wednesday, March 1, 2023, at 5:00 pm.

SUPER LATE FEES - \$250.00 per declaration

After Wednesday, March 1, 2023, at 5:00 pm and up to 1 hour prior to the 1st event of the meet.

Late Declarations must be emailed by the deadlines listed under Late Fees and Super Late Fees to the following:

Tom Stewart: tstewart@hcc.edu

Todd Wolin: wolintodd@gmail.com

Thom Jacobs: coachjake@hotmail.com

MEDICAL/TRAINERS

1. A certified athletic trainer will be available during the meet at all facilities.
2. The training room will also be available for schools to bring their own trainer.
3. Teams are requested to bring their own tape and wraps.

CHECK-IN/CLERKING

Track Events

Event Check-in will be 1 hour prior to start of the event per the FINAL meet time schedule. Final clerking to receive lane assignments and hip numbers will be 15 minutes prior to start of event per the FINAL meet time schedule.

Field Events

Vertical Jumps

High Jump – Initial check in will be 1 hour prior to event start.

Pole Vault – Initial check in will be 90 minutes prior to event start.

Horizontal Jumps/Throws - Initial check-in will be at the site of competition (I.e. – Shot Put at the throws cage) no later than 30 minutes prior to the start of the event. This will allow for a redraw of sections should the amount of competitors warrant it (I.e. - moving from 3 flights to 2 if need be due to weather concerns outdoors, or special circumstances indoors). Flight-specific check-in will be 15 minutes prior to each flight.

RESULTS:

Paynes Corner Timing will carry event-by-event results throughout the entirety of the competition at paynescornertiming.com (click the proper prompts). On-site results will be available at the end of each day of competition. Final results will be posted at <https://paynescornertiming.com>; <https://ic4atrack.com>; <https://ecac.com>; <https://ic4a-ecactrackandfieldcrosscou.godaddysites.com>

PACKET PICK-UP

Teams can pick up packets on Friday afternoon after the Games Committee meets. The Games Committee will release the field event flight sheets and the descending order list for the running events as soon as they are available at paynescornertiming.com, ic4atrack.com and www.ecacsports.com.

PRACTICE TIMES

Teams wishing to practice or warm-up at BU can do so on Friday from 3:00 to 7:00 pm. Please be aware that the combined events will be taking place and athletes that are not competing may be displaced or asked to halt their activities due to the ongoing competition.

WEIGHTS AND MEASURES

By the throws cage – a minimum of 2 hours prior to event.

With less than 20 competitors, the starting height will be one increment below the standard.

The Games Committee will set increments.

Long Jump – Triple Jump – Shot Put – Weight Throw

Up to 16 per flight as per NCAA Rule, but the Games Committee reserves the right to set fewer per flight for smooth running of the event. The competitors with the top marks will be placed in the final flight.

The top nine (9) competitors will advance to the finals in all these events. If a tie occurs, we will take all ties at 9th place (ties are not broken for advancement, only placing).

Pentathlon/Heptathlon

Top 16 scores that are entered (see entry procedure above).

Hurdles and Dash – student-athletes will be set up in heats according to seed marks for these events.

Appendix D - Scratches, Did Not Start, Failure to Participate, and Honest Effort

Scratch: The ramifications of a scratch are governed by Games Committee policy. Within Championship competition, where a defined declaration process is in place, committee policy

has been very consistent. A scratch before the close of declaration can occur on an event-by-event basis without jeopardy. After the close of declaration, any scratch, a voluntary removal from an event for any reason, results in a mandated removal from all further competition. This includes events not yet started and subsequent rounds of events already started. A removal for a temporary medical ailment, verified by the athletic trainers on-site, is not a scratch. NCAA procedure will be followed.

A competitor who abandons a Combined Event at a stage, after the first stage, does not jeopardize competition in any existing or future individual event since a scratch prior to the event, or a round, has not occurred. Similarly, a scratch from an individual event occurring while the Combined Event competition is 'in-progress' does not mandate the removal of the competitor from the remaining stages of the Combined Event.

Failure to Participate: This rule violation requires a determination by the Referee or Games Committee that a violation has occurred. After such determination, the mandated remedy is applied as stated in the NCAA rules.

Did Not Start: For this condition, the Referee must determine the cause. Such determination will result in imposing a mandated remedy or allowing solutions to be created and imposed as authorized by rule by the Meet Referee.

Honest Effort: This is a rule violation that must be validated by the Referee or Jury of Appeal, who is then solely authorized to create and impose a remedy that best fits the situation.
